ENGLAND NOT FOR SILVER

NEITHER IS FRANCE NOR GER-MANY FRIENDLY.

The United States, a Debtor Nation, Should Take the Initiative-Wool Men Urging the Passage of the Dingley Bill-"Elffel Tower"-O'Brien Defented For Congress-Other Matters of Political Import.

Sir Moreton Frewen does not believe there will be any steps taken by any of the great powers across the water looking toward an international agreement, and that if the United States gets any recognition in that line, it will have to take the initiative.

Sir Moreton came in from the east on the Rio Grande Western, and registered at the Knutsford. He was seen last evening in the lobby. The eminent English financial writer is just the same in appearance as when he was here several years ago; his eye is just as bright and step fully as elastic. The

metallists in England, France and Germany, but they are in a minority and no not have the running of the governments. England is not a debtor nation; neither is France nor Germany, and you will never find a creditor nation which on the question.

cussed, he remarked that England was a great creditor nation and he could not see why it should favor a currency which would bring to it in payment of debts, a lesser number of bales of wool and cotton and a lesser number of bushels of wheat, which, after all, are the Cnited States wants international agreement, it should set the example, and not wait for foreign powers to act. "The creditor never goes to the debtor and says to him: 'Here, you are paying me in money too good,' not at all.

'just as well stay out of the game. Jake Greenewald remarked last evening:

'The creditor netter of bales of which, after all, are the commodities which pay debts. If the United States wants international agreement, it should set the example, and not wait for foreign powers to act.

'The creditor never goes to the debtor and says to him: 'Here, you are paying me in money too good,' not at all.

the commodities which pay debts. If the United States wants international agreement, it should set the example, and not wait for foreign powers to act. "The creditor never goes to the debtor and says to him: 'Here, you are paying me in money too good,' not at all, It is the debtor's place to say to the creditor, 'I am paying you in a money which is worth more by far than that which I received of you,' the tenternal which I received of you. The people of the United States, intelligent as they are, ought to be able to comprehend a situation of that kind. This nation is a great debtor nation and it should take measures to protect its people.

take measures to protect its people. "I was in the east during the campaign and I must say that although the platform stands for an international agreement, or an attempt to secure one, the party leaders of the Republican party did not apparently care a fig for 'the declaration contained therein. It was a gold standard campaign, and that was all one could make of it. I have no particular reason for believing that the Republican party will make any advances for silver on that line, even should the same be attempted.

lay. Privilege to pay part or all at any time. Don't forget. P. J. Conway & Co., 28-29 Commercial block.

Trial Begun in the Federal Court Before Judge Hallett.

MOTION TO QUASH DENIED

TAKING TESTIMONY WILL PROCEED THIS MORNING

On the Charge of Conspiring to Prevent People Not In the Combine From Engaging In the Coal Business-Henry Siye Indicted For Making, Having In His Possession and Passing Counterfeit \$5 Pieces -Short Orders.

The United States district and circuit courts convened yesterday morning with Judge Moses Hallett on the bench. His honor came from Colorado Senator William G. Nebeker came in yesterday from Ophir for a day or two. He is highly pleased with the result out there, his district giving him over 800 majority. In Stockton, where there were 118 votes, of which three were Democrats, Nebeker received 101 votes. Toocle gave him a majority and so did Grantsville. Mercur runned out the continue of the salt Lake Coal Exchange was called up. The members of what is known as the "coal continue of the salt Lake Coal Exchange was called up. The members of what is known as the "coal continue of the salt Lake Coal Exchange was called up. The and other members of the Sait Lake Coal Exchange was called up. The members of what is known as the "coal combine" which includes nearly all the coal dealers in the city were indicted by the grand jury more than a year ago on the charge of entering into an unlawful combination to maintain the price of coal to the consumers at whatever figure the combine chose to fix and to prevent other parties from buying and selling coal and thus unlawing and selling coal and thus unlawfully restraining trade contrary to the statutes of the United States. Mesers. Judd, Maginnis and Dey appeared for the government and Mesers. Harkness, Sutherland and Van Cott for the de-Sutherland and Van Cott for the de-fendants. After the empanelment of a jury counsel for the defense moved to dismiss the indictment, arguing that the indictment under the territorial form of government then obtaining in Utah was invalid under the changed conditions of statehood, also that the indictment did not state facets sufficient to constitute a constitute of the thing.

as it referred to the advancing of the price of coal could not be considered and no evidence bearing on that would be admitted, but that it was sound as that John Lu Taylor is also a candidate for the place, and right there is where there will be some fun, for there are several scalping knives out for him should he show his head.

Sive Indicted For Counterfeiting. The United States grand jury came into court and reported one indicttime. There is one fact apparent, and that is there will be no scarcity of deputles when the time comes for appointment.

The onlyy permanent cure for chronic catarrh is to thoroughly expel the polson from the system by the falthful and persistent use of Ayer's Sarsapa-grand jury.

In the matter of the United States vs. John F. Miller and Warren E. Davis, an action on a bond, the case was dismissed on motion of United States District Attorney Judd in pursuance of an agreement with Attorney C. S. Varian.

C. S. Varian.

Adam Patterson and Isaac Barton, jurors who failed to appear on Monday in answer to subboenaes, were brought in on bench warrants and giving satisfactory explanations for their absence purged themselves from con-tempt, and Patterson was excused for the term on account of sickness in his family.

family.

In the cases of the Central Pacific Railroad compeny vs. O. C. Loveland and the Central Pacific Railroad company vs. William Johnson, the plaintiffs were given leave to file amended complaints and the defendants allowed time to answer.

GOSSIP OF THE TOWN.

Hoping to cheer the western heart with good news, a reporter for this paper last night sought as interview with Sir Moreton Frewen, who is at the Knutsford hotel for a day or two. and whose extensive knowledge on matters relating to silver is so eagerly sought after all over this and other Interest on bonds, issue May,

The first preliminary is writing a card, and when this was done the clerk was requested to send it to the gentlefunctionary who divides his time at the desk and on the rostrum, "take this

card to 310. Lively now,"
After a wait of five minutes the
Gannymede in blue and brass returned
with a "show the gentleman up."
Framing a battery of interrogations
in his mind with which to stack the
visitor. The Herald man suffered himself to be guided to the apartment, the door swung open and with a rush the reporter found himself in the presence of a vivacious young lady with blonde hair, an elderly woman whose once raven locks were beginning to show the silver thread and a tall young man wearing a sweater and some other

breath, "Pardon me," began the reporter, "I

"Of course you did. What did you think I supposed you called for if it wasn's to see me? Did you ever. Let me take your hat. Oh, there, as there is no nices to hang it. I will not the is no place to hang it, I will put it on my head. Don't that look lovely? I do so admire you western men, with your soft hats. Now, in the east the dudes all wear stiff hats, and I never did like a stiff hat. (At this point the man with the swenter glanced at his Derby and scowled again.

The Herald man by this time had given up all hopes of ever getting himto hang it, I will put it on Don't that look lovely? I

COAL COMBINE CASES self set right, but faint heart never won and he made another effort.
"I wish to say that I sent my card

"Why yes, of course you did. I have it right here. See? That's your name, lan't it? How funny. Did you think I hadn't received it? Well, as I was saying. We have here a lot of souvenir spoons and one I got from an Indian. Just think of that. An Indian making spoons. The red savage told me it was silver and that his wife made it. And I bought some of the lovellest mourtain gems. But you don't care a snap about gems. Some of the loveliest mourain gems. But you don't care a snap about them, do you? No, of course not. You want to know where we are going? Well, we are going to the coast and from there to China. I am going to dance before his majesty, the emperor of China, at the personal request of Li Hung Chang, who is going to pay us a wal of meney for comings over wad of money for coming over

there."
"You are going to dance before—"
"Why, yes. Ain't I, mamma? Of
course! Did you think I was going over
there to play hilllards with him? No,
no, no. I am going to dance. Li made
me promise before I left the east. Oh,
Li is a great old man. If he wasn't so
old. (Ruminatingly), I am impressed
with him. (Mure scowls from the young
man with the sweater.) I will then so
right on to Europe. Now, what can I
the day right on to Europe. Now, what can I

Frewen, in order that I might secure an interview on the question of bimetal-lism, and I presume the boy brought it in here by mistake," was the reply. "However, if you have anything to offer I presume you will answer all pur-poses," replied The Herald attache. Then it was that a young woman, with blonde hair somewhat rumpled and tumbled, had a session of laugh all

by herself. When she had actonished the e'derly lady and the young man with the sweater, she explained that it was all a mistake and concluded by offering tickets to the theater for the reporter and all his relatives.

It was Loie Fuller the kickative reporter and all his relatives.

It was Lole Fuller, the kickative young lady who entertained the people at the theater last evening, and for a woman who can catch a fellow on the

wing, talk him into a trance, have a first-class old time in five minutes and kick up more fun than anyone in a given time, she is the princess. Weakness of the Lungs.
